ERP DOCUMENT

Raghu Engineering College believes in simple and automated procedure to provide governance in different elements of the academic system. Various functions are implemented in offering planning, development, administration, management of finance and accounts, providing support to the students such as library facilities, organizing the examinations, evaluations etc. The above have been considered as a set of modules. Each module is separately designed and implemented through an ERP system. All functions and administrators use the ERP system for providing the e-governance. Transparency of everything done in the college is exhibited through the ERP system.

ERP (Placement)

Raghu Engineering College (REC) use "Campus interaction portal" to assist their students in Placement activities. This platform was utilized to render services for 2012, 2022 and 2023 pass out batch students pertaining to all branches. Previously, placement cell maintained the student's data based on the eligibility criteria and maintain correspondence with various MNCs to invite them to conduct campus drives for our students. Its corporate office is located at Coimbatore, Tamilnadu. We have been associated with this company since 2020 to take assistance in recruitment process. Students can log in with their user Id and Password by log in to https://www.campusinteraction.com. Some of the core functionality and services of "Campus Interaction portal are

- On line assessment portal both on Web and Mobile.
- Job portal for colleges and companies.
- Student and Alumni management and communication
- On line Students attendance.
- One can have a glance of No. of registered students, No. of companies visited, No of job offers etc... For the particular pass out batch on the dash Board.
- It will help Placement team to communicate with their students effectively during recruitment process.
- Students can and up load their particulars on the portal and can any communication from placement cell regarding the upcoming recruitment drives.
- Placement team can connect to students on forthcoming recruitment drives in a effective manner.
- Students can connect their Alumni and take their assistance in the campus Recruitment drives.
