PROJECT WORK

The main objective of the Project work is

1. To enable the student apply engineering knowledge that has been taught all through the programme for solving practical engineering problem.
2. To enable the student capable for problem solving / problem shooting.
3. To instil and inculcate team spirit/ team work in to the minds of the students.
4. To enable/ train the students report making/ documentation.
5. To provide students an opportunity to use any civil engineering software for their project work.

Outcomes of the Project work.

Up on completion of the Project work, the student will be able to

1. Apply all levels of Engineering knowledge in solving the Engineering problems.
2. Work together with team spirit.
3. Use Civil Engineering software at least one.
4. Documentation of the project related documents.
